REPORTING LOST / STOLEN PASSPORTS

In order to report your passport either lost or stolen we require from yourself the following information:

Full name of the person/s recorded on the passport:

Date of Birth:

Name of issuing country:

The passport number:

Date of issue and

Expiry date:

Police take the loss or theft of all passports very seriously and for that reason ALL of the above information is necessary before a report can be taken by police.

You can obtain this information - if you do not have a photocopy of the passport - from the UK Passport Office for all British Passports or from the relevant embassy or consulate of the issuing country.

"This is not a Lost / Stolen report".

Thank you for your assistance in this matter.
