Subject: Admissions of Foreign Students under Self-Finance Scheme in MBBS & BDS

The Higher Education Commission (HEC) administers admissions of foreigners as well as dual nationality holders of Pakistan in various public sector Universities/Colleges of Pakistan in the disciplines of Medicine (MBBS) and Dentistry (BDS) under the Self Finance Scheme (SFS), following the admission rules and regulations of Pakistan Medical Commission (PMC).

2. In this backdrop, this is to inform that as per the "Pakistan Medical Commission (PMC) Medical and Dental Undergraduate Education (Admission, Curriculum and Conduct) Regulations 2021" the dual nationality holders falls under the definition of "Pakistani Student" (relevant clause enclosed).

3. In this regard, it has been observed that the students, particularly the dual nationality holders of Pakistani origin have shown keen interest in the medical discipline offered under the scheme since its start and have filled most of the seats, however, keeping in view the above mentioned admission regulations, HEC is not in a position to administer the admissions of the dual nationality holders of Pakistan under the aforementioned scheme.

4. In view of the above, the competent authority has decided to handover the administration of foreign seats reserved under the scheme for MBBS/BDS programs to the concerned Universities/Colleges for admissions of foreigners as per PMC regulations for the session 2021-21 and onwards.
